

No One Believes in Me Anymore (Satan's Boast)

Keith Green

Oh, my job keeps getting easier
As time keeps slipping away I can imitate your brightest light
And make your night look just like day
I put some truth in every lie
To tickle itching ears
You know I'm drawing people just like flies
'Cause they like what they hear I'm gaining power by the hour
They're falling by the score
You know, it's getting very simple now
'Cause no one believe in me anymore Oh, heaven's just a state of mind
My books read on your shelf
And have you heard that God is dead?
I made that one up myself
They dabble in magic spells
They get their fortunes read
You know they heard the truth
But turned away and followed me instead I used to have to sneak around
But now they just open their doors
You know, no ones watching for my tricks
Because no one believes in me anymore Everyone likes a winner
With my help, you're guaranteed to win
And hey, man, you ain't no sinner
You've got the truth within
And as your life slips by
You believe the lie that you did it on your own
But don't worry
I'll be there to help you share our dark eternal home Oh, my job keeps getting easier
As day slips into day
The magazines, the newspapers
Print every word I say
This world is just my spinning top
It's all like childs-play
You know, I dream that it will never stop
But I know it's not that way Still my work goes on and on
Always stronger than before
I'm gonna make it dark before the dawn
Since no one believes in me anymore
Well, now I used to have to sneak around
But now they just open their doors

You know, no one watches for my tricks
Since no one believes in me anymore Well I'm gaining power by the hour
They're falling by the score
You know, it's getting very easy now
Since no one believes in me anymore
No one believes in me anymore
No one believes in me anymore
