

I Just Liked Fire

KEN mode

I can't, I can't, I can't stop thinking about your skin
I can't, I can't, I can't stop thinking about your skin
My hands: your legs, my lips, your hips
I can't take it, I'm gone, I'm gone, I'm gone
I can't take it
My hands, your legs, my lips and your hips
I can't, I can't, I can't stop thinking about your skin
I can't, I can't, I can't stop thinking about your skin I'm yours, will you be
This night, such heat
Our skin, fixated ecstasy
I can't take it, I'm gone, I'm gone, I'm gone
I can't take it
My hands on your legs, my lips, and your hips
I can't, I can't, I can't stop thinking about your skin
I can't, I can't, I can't stop thinking about your skin
I'm gone, I'm gone, I'm gone, gone, yet we ain't done
I'm gone, I'm gone, I'm gone, gone, yet we ain't done
I'm gone, I'm gone, I'm gone, gone, yet we ain't done
I'm gone, I'm gone, I'm gone, gone, yet we ain't done
I can't, I can't, I can't stop thinking about your skin
I can't, I can't, I can't stop thinking about your skin
I can't, I can't, stick up, I can't stop thinking about your skin
I can't, I can't, stick up, I can't stop thinking about your skin
