I'll forever, I'll forever, I'll foreverI done went on home and fucked that nigga's broad
I done went and put some stars on my car
I'mma go and put some tents on the drop
I might beat 'em wit the lock in a sock
We gon' murder, no aggravated assault
Popcorn pussy nigga get popped
I got my license and DMV'd up
More money if you niggas teamed up
Percocet, the itchy, scatchy one
Factories off and put some dabbins up
Hungry niggas sell up on it, on it
I just want my brother out the bunk
Pockets fat like motherfuckin' clumps
Pockets like a motherfuckin' hump
Wallet like a motherfuckin' bump
Gators got the motherfuckin' mumps
Ooh yeah, 10 speed
These niggas want a soundbite, they dig me
These niggas ain't never been around, you can't see
Got 3 iPhones, I work 'em now, I manage me, ayyI'll forever be a youngsta
I'll forever be a youngsta
I'll forever be a gunna

I'll forever be a gunna
I'll forever be a youngsta
I'll forever be a youngsta
I'll forever be a gunna nigga
I'll forever be a killer gunna
I'll forever be a youngsta
I'll forever keep a 9
I'll forever fuck ya channel
I'll forever carry blammers
I'll forever do my thing out here
I'll forever do my thing out here
I'll forever, I'll forever, I'll forever
