Colored Emotions

Night Moves

Don't say when it just us a colored emotions
One night but its just a colored emotions'Cause it's the feeling that a feeling is over when it just comes to light
Because I'm missing still missing when persuasion has comes in through the tidesYour love got me a feeling like a high I once had in the night
And it was you so in it just because of long devotion running onI was thinking that maybe I'd take a ride out of town
Just to see a couple of friends I want to say goodbye
Yeah
Oooh ooooooh
Colored emotions running 'round
Ooooh Oooh
