Boy when a first saw you
My â•¤ï¸• go bedebop for you
My knees buckle like there no tomorrow
A felt like a giddy school girl hang out in the park
Waiting for you to come along boy
How I waited for you how I waited for you

(Chorus)

First Touch is the sweetest x2
When it come to touching people babe
When it come to people touching me
When it come to touching people
That's how I know the FIRST TOUCH IS THE SWEETEST.

Just to have you in my arms
Just to hold you close to meeee
Just to feel that energy the adrenaline inside of me babyyyyy
Your touch transient inside of me
Inside of meeeeee

(Chorus)
