Boy when a first saw you  
My â•¤¤, • go bedebop for you  
My knees buckle like there no tomorrow  
A felt like a giddy school girl hang out in the park  
Waiting for you to come along boy  
How I waited for you how I waited for you

(Chorus)

First Touch is the sweetest x2  
When it come to touching people babe  
When it come to people touching me  
When it come to touching people  
That's how I know the FIRST TOUCH IS THE SWEETEST.

Just to have you in my arms  
Just to hold you close to meeee  
Just to feel that energy the adrenaline inside of me babyyyyy  
Your touch transient inside of me  
Inside of meeeeeee

(Chorus)
