## Mync

Yeah yeaWe've got a map of the world torn up
And your future's five bucks a pound
And I've seen your Mum with her knees pinned back
You'll pay everything to hear that soundWe drove a truck to the ranch of life
And came back with another brain
So shake your ass at the scene tonight
And open wide and let it drainYou'd better come down
Now I think you should
Oh yeah, yeah, yeahWe've got a map of the world torn up
And your future's five bucks a pound
I've seen your Mum with her knees pinned back
You'll pay everything to hear that sound, babyWe drove a truck to the ranch of life
And came back with another brain
So shake your ass at the scene tonight
And open wide and let it drainYou'd better come down
Now I think you should
Oh yeah, yeah, yeah
You'd better come down
Now I think you shouldYeah yeah yeah
Yeah oh oh
Oh yeah, oh yeah
Oh yeah
