

Gold

Owl City

Stand on up and take a bow
There is something there and it's showing
There is no need to look around you're the best we got going
Shout out to the dreams you'll chase
Shout out to the hearts you'll break
Nothing is gonna stop you now
I guess you better be going
You'll never be far, I'm keeping you near, inside of my heart, you're here
Go on, It's got to be time, you're starting to shine cause what you've got is gold
I know you're gold
Oh, I know I know I don't even need stars in the night
I found my treasure
All I need is you by my side
So shine forever
Gold, I know you're gold
Oh I know you're gold
It won't take you long to get when you feel like your soaring
So write it all and don't forget, you gotta tell us your story
Shout out to the friends back home
Shout out to the hearts you've known
You gave them nothing but the best
Yeah, and you can tell them your story
You never be far
I'm keeping you near
Inside of my heart you're here oh
It's got to be time, your starting to shine cause what you have got is gold
I know you're gold
Oh, I know I know
I don't need stars in the night
I have found my treasure
All I need is you by my side
So shine forever
Gold I know you're gold
Oh, I know your gold
Cause what you have got is gold
I know you're gold
Oh I know I know
I don't even need stars in the night
I found my treasure
All I need is you by my side
So shine forever
Gold, I know you're gold
Oh I know you're gold
You're gold
You're gold
