

# Spit It Out

IAMX

And if you're hurting  
I will replace the noise with silence instead  
Flushing out your head

If you like it violent  
We can play rough and tumble  
Fall into bed  
And I won't breathe so you can recover

When you're in pieces  
Just follow the echo of my voice  
It's okay  
Tune into that frequency

Don't fight your reflex  
Embrace the instinct  
You can feel your way  
Through the bed and weak face in the end

'cause it breaks my heart  
That we live this way  
I know people need love  
'cause them people never play the game  
And we talk the talk  
We communicate  
The people need love  
Those people never play the game

Pleasure for pleasure  
It eases consequence  
And love for a fall  
But I know you love to take a risk

The past is weakness  
Don't beg the question when the answer is war  
There are moments when I'm overcome

'cause it breaks my heart  
That we live this way  
I know people need love

'cause them people never play the game  
And we talk the talk  
We communicate  
Them people need love  
Those people never play the game

And it breaks my heart  
And it breaks my heart  
In love
