

# Prisoner On The Inside

## The Living End

She used to give me roses  
I wish she could again  
But that was on the outside  
And things were different then  
We built our world together  
With a love so clear and strong  
But that was on the outside  
Where did I go wrong  
On the inside the sun still shines  
and the rain falls down  
But the sun and rain are prisoners too  
When the morning comes around  
Last night I dreamed we were together

Sharing all the love we'd known  
Till I had to face the nightmare  
Of waking up alone  
On the inside the sun still shines  
and the rain falls down  
But the sun and rain are prisoners too  
When the morning comes around (x2)  
on the inside the roses grow  
They don't mind the stoney ground  
But the roses are just prisoners too  
when the morning comes around!
