

# Fancy

## Destiny's Child

I don't fancy you to much child  
I don't fancy you to much child  
I don't fancy you to much child  
I don't fancy you to much  
You think you're cute, you think you're fine  
You're always tryin' to steal my shine  
Get off of me, don't ask for me  
You know who you are I've always been so nice to you girl  
Helping you girl, there for you girl  
You always try to compete with me girl  
Using me girl, abusing me girl  
Flirting with every man you see  
Especially if the man likes me  
Baby where's your self esteem  
Find your own identity (Your head ain't right)  
Your a congratulated schemer  
(Your head ain't right)  
You's a liar and a cheater  
No I don't wantcha wantcha wantcha no more  
Don't come knocking on my door  
I don't know what you came here for  
If you didn't know then now you know I don't fancy you to much child  
I don't fancy you to much child  
I don't fancy you to much child  
I don't fancy you to much  
You think you're cute, you think you're fine  
You're always tryin' to steal my shine  
Get off of me, don't ask for me  
You know who you are Roll those eyes girl, twist them hips girl  
Swing that head now in the air  
If you wonder why you never had a girlfriend  
I think I made myself clear  
Change (change) your ways (ways)  
Right now (now) today (day)  
Stop hating (hating) me (me)  
Baby find you own identity (Your head ain't right)  
Your a congratulated schemer  
(Your head ain't right)  
You's a liar and a cheater

No I don't wantcha wantcha wantcha no more  
Don't come knocking on my door  
I don't know what you came here for  
If you didn't know then now you know I don't fancy you to much child  
I don't fancy you to much child  
I don't fancy you to much child  
I don't fancy you to much  
You think you're cute, you think you're fine  
You're always tryin' to steal my shine  
Get off of me, don't ask for me  
You know who you are Girlfriend, Lord knows that I've tried  
No Matter how much I give to you  
You only use me for what I've got  
You take my kindness for weakness  
You take advantage of people  
One day you'll share what you saw  
Girl get your head up out the clouds Girlfriend you think you're cute  
Girlfriend you think your fine  
Girlfriend you're always tryin'  
You're always tryin' to steal my shine Girlfriend you think you're cute  
Girlfriend you think you're fine  
Girlfriend you're always tryin'  
You're always tryin' to steal my shine I don't fancy you to much child  
I don't fancy you to much child  
I don't fancy you to much child  
I don't fancy you to much  
You think you're cute, you think you're fine  
You're always tryin' to steal my shine  
Get off of me, don't ask for me  
You know who you are I don't fancy you to much child  
I don't fancy you to much child  
I don't fancy you to much child  
I don't fancy you to much  
You think you're cute, you think you're fine  
You're always tryin' to steal my shine  
Get off of me, don't ask for me  
You know who you are I don't fancy you to much child  
I don't fancy you to much child  
I don't fancy you to much child

You think you're cute, you think yo're fine  
Yo're always tryin' to steal my shin  
Get off of me, don't ask for me I won't say no names
