

Sensi (feat. Tippa Irie)

Long Beach Dub Allstars

yes sinsemilla, sinsemilla, ganja weed you know
yeah will you can say
ya, ya, ya, - ya, ya, ya, well I want the Jah of sinsemilla, well oh God yes I do
and I want the Jah of sinsemilla, got nothing else will do
and I want the Jah of contraband, you see the healing of the nation
and I've got to smoke my sensi, because Im back into meditation and me sing say you dont say mister Irie gotta
smoke sensi
we got to sinsemilla, make me feel Irie
it up to mister Irie, got to feel much better, well I gotta pray for ganja and we sing me good hold ganja, have the
bone
and the ganja moon and star and sun
you have the sensi, please bring it home
please bring it home and make me different and some and me sing
how you know me I go school if he dumb
true and if dumb then me never get none
yes can be good ganja have the bone ??????????????????????
and people of the weed to the maximum and me sing well I want the Jah of sinsemilla, well oh God yes I do
and I want the Jah of sinsemilla, got nothing else will do
and I want the Jah of contraband, you see the healing of the nation
and Ive got to smoke my sensi because, Im back into meditation and me sing well you dont say mister Irie, gotta
smoke sensi
we got to sinsemilla to make me feel Irie
you dont say mister Irie gonna feel much better well I gotta pray for ganja
and me sing well you dont say mister Irie gotta smoke sensi
we gotta sinsemilla make me feel Irie
you dont say mister Irie gonna feel much better, well I gotta pray ganja well I must smoke the weed-o
oh God thats good indeed-o ??????????????????
yes yes it good ganja we need-o
yes yes and me say we dont de-seed-o
from you have the sensi a breed-o
well you better open in to me-o ??????????????????
well you ganja gonna lead-o ??????????????????
and the people say want some say speed-o
and me look and me sing well I want the Jah of sinsemilla, well oh God yes I do
and I want the Jah of sinsemilla, got nothing else will do
and I want the Jah of contraband, you see the healing of the nation
and I've got to toke my sensi because, Im back into meditation and me sing say you dont say mister Irie gotta
smoke sensi
me gotta sinsemilla, make me feel Irie

ya dont say mister Irie, gonna feel much better, well I gotta pray for ganjawell I must smoke the sesso
yes yes because me know it god bless-o
yes yes I mean no one no less-o
yes yes because its full of progresso
because it help me when me feel stess-o
and after me toke that bless-o
well me know that we must smoke the sesso
because it tip on no say god bless-o
and me look and I singwell I want the Jah of sinsemilla, well oh God yes I do
and I want the Jah of sinsemilla, got nothing else will do
and I want the Jah of contraband, you see the healing of the nation
and Ive got to smoke my sensi because, Im back into meditationagain no I like the master will love the sensi,
he'll say sensi, is Irie
and me say I like the master will love the sensi, he'll say sensi, is Irie
we sing say I like the master will love the sensi, he'll say sensi, is Irie
and me say I like the master will love the sensi, he'll say sensi he'll say sensi
[fade out with chorus]
