

# No One But You

[Stuart Duncan;Chris Thile;Edgar Meyer;Yo-Yo Ma](#)

Tonight, you're mine  
I wanna shake it  
Your eyes can't lie  
No you can't fake it  
Tonight, you're mine  
I wanna shake it  
Your eyes can't lie  
No you can't fake it  
This is everything that I wanted tonight  
So come on, whoa  
I've got no one, whoa  
No one but you  
Yeah, whoa  
Yeah, I've got no one (I've got no one)  
No one but you  
I want your heart  
So I can break it  
I want to be inside your world  
With no escaping  
This is everything that I wanted tonight, yeah  
  
So come on, whoa  
I've got no one, whoa  
No one but you  
Yeah, whoa  
Yeah, I've got no one (I've got no one)  
Don't stop, we're just getting started  
Don't talk, I know you want it  
I'm gonna get what I want  
You'll get what you want  
We're just getting started  
Don't stop, we're just getting started  
Don't talk, I know you want it  
I'm gonna get what I want  
You'll get what you want  
We're just getting started  
So come on, whoa  
I've got no one, whoa  
No one but you (no one but you)

Whoa, yeah, I've got no one (I've got no one)  
I've got no one  
I've got no one (yeah)  
No one but you
