Hare hare

(Music)

You could become a great horsemen

And help free yourself in this world

Though only if you in prayer become sweet lovers

Its a naive man ,who does not think

We are engaged in a fierce battle

For i see and hear

Brave foot

All around me

Going mad

And falling on the ground

In excruciating pain

You could become a victorious horsemen

And carry your heart through this world

Like a life giving sun
Though only if you in a great spirit become
Sweet lovers

.....
