

Lift Off (feat. Shafiq Husayn / Mic Check)

[Robert Glasper](#)

Oh yeah
Hello world
Peace and love
I wish you the best
And now for the next
Coming to your mind
Live and direct from the ethos
Now was all in your speakers
Down to your sneakers Uh, now we prepare for our lift off
We only need two things to direct your cause
Your ears and your soul
I bring to you the Robert Glasper Experiment
Experimentation for meditation Uh, back to where we were now
I bring to you Rob, Chris, Jerry, Casey, RCDC
Rock on This is it
This is it
