

Waiting (feat. Emma Hewitt) [W&W Radio Edit]

[Dash Berlin](#)

Fading of the day
As night takes over
And I can almost feel
You here Your memory remains
I breath it closer
I swear that I still feel you near The cold wind is taking over
It's taking over So far away
You're gone so long
Oh and I'm waiting Till that day
I take you home
Know that I'm waiting
Know that I'm waiting
Know that I'm waiting Haunted by your grace
You know I'm falling
So cold without you
Always in my mind
I hear you calling So far away
You're gone so long
Oh and I'm waiting So far away
You're gone so long
Oh and I'm waiting Till that day
I take you home
Know that I'm waiting
Know that I'm waiting
