Softa

Innerpartysystem

I'm a chasing to the preacher dressed in black as the sun begins to fade
She wore the dress that she bought a few months back
and her skin looks pale with the light of shade.Fall asleepI wanna to believe in someone
I wanna to believe in something
I wanna wake up but I can'tFall asleepI wanna to believe in someone
I wanna to believe in something
I wanna wake up but I can'tfall asleepI'm complacing though my body will collapse and my lungs refuse to breath
I haven't been the same sense the day you past
Now we share the ground beneath.Fall asleepI wanna to believe in someone
I wanna to believe in something
I wanna wake up but I can'tFall asleepI wanna to believe in someone
I wanna to believe in something
I wanna wake up but I can'tFall asleepFall asleepI wanna to believe in someone
I wanna to believe in something
I wanna wake up but I can'tFall asleepI wanna to believe in someone
I wanna to believe in something
I wanna wake up but I can'tFall asleepFall asleepFall asleep
