

# Butterflies And Hurricanes

[William Joseph](#)

Change everything you are  
And everything you were  
Your number has been called Fights, battles have begun  
Revenge will surely come  
Your hard times are ahead Best, you've got to be the best  
You've got to change the world  
And use this chance to be heard  
Your time is now Change everything you are  
And everything you were  
Your number has been called Fights and battles have begun  
Revenge will surely come  
Your hard times are ahead Best, you've got to be the best  
You've got to change the world  
And use this chance to be heard  
Your time is now Don't let yourself down  
Don't let yourself go  
Your last chance has arrived Best, you've got to be the best  
You've got to change the world  
And use this chance to be heard  
Your time is now
