

# Out Of Love

## Five For Fighting

I'm out of love again  
And I need anyone  
I'm out of love again  
And I need everyone I'm out, I'm in again  
And I need some love  
I'm out of touch again  
And I need you babe I'm out of love again  
But I got your stuff  
I'm out of love again  
But I got your love  
I'm out of love again I'm out of wack again  
And I need soft heat  
And I'm down to far too bend  
And I need something sweet I'm out of love again  
But I got your stuff  
I'm out of love again  
But I got your love  
I'm out of love again  
But I got your stuff People in my life  
You're the one  
Of people in my life  
You're the one  
Yeah I'm out of love again  
But I got your love  
I'm out of love again  
But I got your stuff  
I'm out of love again  
But I got your love I got your love  
I got your love  
I got your love I'm out of love again  
Not while you're by my side  
I'm out of love again  
Not while you're by my side  
I'm out of love again  
Not while you're by my side  
I'm out of love again  
Not while you're by my side
