What Would I Do

Calvin Richardson

Baby oh
Ooh ba da ba
Ba da baPictures just can't represent
What you got don't make no sense
I'm looking down from on cloud nine
What I wouldn't do to make you mineWhat would I do baby
What would I do baby
What would I do baby
What would I do baby
Ooh ba da ba
Ooh ba da ba
Ooh ba da baIn a dream you came to me
Said you don't oppose my fantasies
I like to bring you there with me
Where body, mind and spirits meetWhat would I do baby (you see me like I see you)
What would I do baby (I wanna make this dream come true)
What would I do baby (if I don't try then I can't win)
What would I do baby (I wish you tell me come on in)
What would I do baby (you see me like I see you)
What would I do baby (I wanna get inside of you)
What would I do baby (nothing ventured, nothing gained)
What would I do baby (taste your love, go on scream my name)Rap Part
What would I do baby (you see me like I see you)
What would I do baby (I wanna make this dream come true)
What would I do baby (if I don't try then I can't win)
What would I do with you baby (I wish you tell me come on in)
What would I do baby (you see me like I see you)
Come on lady, baby (I wanna be inside of you)
Ooh baby (nothing ventured, nothing gained)
What would I do baby baby (til' I hear you scream my name)Do baby (do you see me like I see you)
Tell me baby baby yea (you see me like I see you)
What would I do baby (you see me like I see you)
Ooh baby tell (you see me like I see you)
What would I do baby (you see me like I see you)
What would I do baby (you see me like I see you)
Come on girl, come on girl (you see me like I see you)
Mmm baby (you see me like I see you)
