Apple Of My Eye

Micah G

I was gonna give her everything (oh yeah)
From gold to diamond rings
But it wasn't good enough for her (oh yeah)
Guess I would've made things worse (oh)
But I just wish that she could see (oh)
How good things could be
If she took a chance with me (baby)
I promise you're never gonna leave

Girl, you know you're the
Apple of my eye
Angel in disguise
Dream come true
Girl, it's only you (baby)
And you know you're the
Apple of my eye
Angel in disguise
Dream come true
Girl, it's only you

So now you're with another guy (oh yeah)
Seen you together the other night
But when I look into your eyes (oh yeah)
I can see you're not so satisfied (oh yeah)
But I only wish that you could see (oh)
How good things would be
If you took a chance with me
I promise you'd never wanna leave

Girl, you know you're the
Apple of my eye
Angel in disguise
Dream come true
Girl, it's only you (baby)
And you know you're the
Apple of my eye
Angel in disguise
Dream come true

Girl, it's only you

Girl, you know you're the
Apple of my eye
Angel in disguise
Dream come true
Girl, it's only you (baby)
And you know you're the
Apple of my eye
Angel in disguise
Dream come true
Girl, it's only you

Girl, you know you're the
Apple of my eye
Angel in disguise
Dream come true
Girl, it's only you (baby)
And you know you're the
Apple of my eye
Angel in disguise
Dream come true
Girl, it's only you
