

# Buddha, Buddha (With Noodles)

Parthenon Huxley

Everything I do,â€™ Buddha did with love  
andâ€™ that's what I compare it to  
â€™Try to rise above  
the petty things I run into  
â€™I think of love  
when I do everything I do

Buddha Buddha  
Fishing boats  
in the Greek blue sea go...â€™  
Buddha Buddhaâ€™  
Enemy planes  
in the comic books go...  
â€™Buddha Buddha.â€™Young hearts  
when they fall in love go...â€™  
Buddha Buddha

I live in a different world  
â€™of private solitude  
Where I always tell the truth  
â€™but I'm lying to you  
â€™Our worlds are the same  
--â€™hot dogs and jet planesâ€™  
the yin and the yang  
â€™over and over again  
and again and again
