

Park Avenue

Built to be Broken

I know youre wondering
I know its hard
I know its hard enough when you know whats coming up
I know Im frightened
I want to run
Ive held back my heart so long it has got to restart
Yeah, I want you to know I am thinking the same thoughts
Id love for you hold my eyes
Id tell you how I felt
When I walked with you
Down Park avenue
Where the roses gave themselves
It's only twelve o two and I think I should
But I cant sleep till I'm still
The feelings that I feel for you
Only time will tell
Yeah
The feelings that I feel for you
Do you feel as well? Astray I won't lead you
I'll guard your heart
But I think you need to hear it straight from my mouth
I want to get to know
Who it is you are
