

If It Takes All Night

Blue

You think I'm just coming on to you
I know exactly what i got to do
Your eyes kinda give the game away
I know exactly what you're trying to say But I'm not gonna give it up
I'll prove to you I'm good enough
Just take a chanc, I'll show you love
Put your trust in me girl, I'm not like the other guys
Won't break your heart and tell you lies
Before you start to criticize put your trust in me girl(chorus)
If it takes all night
Gonna give my love to you, gonna get
it right if it takes all night
If it takes all night
Gonna give it all to you,gonna get it
right if it takes all nightI Know all about the other kind
one thing playing on a one track mind
You'll see it's not the way it has to be
If you'll only give your love to meBut I'm not gonna give it up
I'll prove to you I'm good enough
Just take a chance, I'll show you love
Put your trust in me girl, I'm not like the other guys
Won't break your heart and tell you lies
Before you start to criticize put your trust in me girl(chorus)Watching and waiting just anticipating
The moment you come in my life
Hoping and praying you hear what I'm saying tonight, oh tonight(chorus)
