After 12, Before 6

Sam Salter

I heard the phone ring, it's you
Telling me all I do is neglect you
The first thing that I wanna say
You know I've been working hard all day, baby
I don't trip on what your friends say
'Cause you know they all want me anyway
You know that I'll be true to you
My love can't start untilAfter 12, before 6
I want you all up in my mix
I wanna make love to you
All night long
After 12, before 6
I want you all up in my mix
I wanna make love to you
All night longAnd now that 12 o'clock is here
I wanna please you and I'm being sincere
The rest of the night is yours and mine
We're gonna chill, relax and unwind baby
I go to work tired each and every day
'Cause I spent the night before pleasing my babe
You know that I am true to you
But love can't start untilAfter 12, before 6
I want you all up in my mix
I wanna make love to you
All night long
After 12, before 6
I want you all up in my mix
I wanna make love to you
All night longYou, you will never be alone
'Cause I know just how to keep my baby satisfiedAfter 12, before 6
I want you all up in my mix
I wanna make love to you
All night long
After 12, before 6
I want you all up in my mix
I wanna make love to you
All night long
