A Sorta Fairytale

Tori Amos

On my way up north

Up on the Ventura

I pulled back the hood

And I was talking to youAnd I knew then it would be

A life long thing

But I didn't know that we

We could break a silver liningAnd I'm so sad like a good book

I can't put this day back

A sorta fairytale with you

A sorta fairytale with youThings you said that day

Up on the 101

The girl had come undone

I tried to downplay itWith a bet about us

You said that you'd take it

As long as I could

I could not erase itAnd I'm so sad like a good book

I can't put this day back

A sorta fairytale with you

A sorta fairytale with youAnd I ride along side

And I rode along side you then

And I rode along side

Till you lost me there in the open roadAnd I rode along side

Till the honey spread itself so thin

For me to break your bread

For me to take your word I had to steal itAnd I'm so sad like a good book

I can't put this day back

A sorta fairytale with you

I could pick back up whenever I feelDown New Mexico way

Something about the open road

I knew that he was

Looking for some Indian bloodAnd find a little in you find a little

In me we may be

On this road but we're just impostors

In this country you knowSo we go along and we said we'd fake it

Feel better with Oliver stone

Till I almost smacked him

Seemed right that night andI don't know what takes hold

Out there in the desert cold

These guys think they must

Try and just get over on usAnd I'm so sad like a good book
I can't put this day back
A sorta fairytale with you
A sorta fairytale with youAnd I was ridin' by, ridin' along side
For a while till you lost me
And I was ridin' by, ridin' along
Till you lost me, till you lost meIn the rear view
You lost me, I saidWay up north I took my day
All in all was a pretty nice day
And I, I put the hood right back where
You could taste heaven perfectlyFeel out the summer breeze
Didn't know when we'd be back
And I, I don't, didn't think
We'd end up like, lying there
