That's What You Get

Paraless

On the way tome I thought better stop before it closes
And get some, pretty things for a pretty thing
Here I come through the door, bringin' you more roses
Whatever else you want from me
Right now baby I'm just here for you
I'll do anything you ask me to

[Chorus]
That's what you get for lovin' me
Two strong arms and a heart that won't stop for anything
The kind of man a woman needs
That's what you get
That's what you get for lovin' me
Yeah for lovin' me

I know you've heard it all before, you don't like big talkers
Well look who you're talkin' to
I ain't just carryin' on, it's a promise, not an offer
I'll have your way with you
Honey I ain't leavin' nothing out
Even things you've never thought about

[Chorus]

You want a man to hold ya
Who's never gonna quit
Girl I already told ya
When you love me
That's what you get

That's what you get for lovin' me
Two strong arms and a heart
That won't stop for anything
The kind of man a woman needs
That's what you get
That's what you get
Thai's what you get for lovin' me
For lovin' me
Baby that's what you get
That's what you get for lovin' me
