Rock & Roll Symphony

Zoot Woman

Rock & Roll Symphony
Help me tune in on this symphony
Rock & Roll here with me
The melody received
Rock & Roll here with meNeed your sound
Your heart and soul and style
Always make me smile
Lose myself a whileAnd all we can design
Will leave our past behind
Forget what might deceive
Make sweet harmony
Sound that moves so unconditionally Change the way you feel
Help me tune in on this symphony
Rock & Roll here with me
Help me find the key
Rock & Roll here with me
