Yesterday's Gone

Johnny Van Zant

Yesterday's gone
And I'm on the road again
Well, leaving all my problems
Playing out my fantasiesIf you wondered how I feel
You get by love soonI wish I could turn back
I wish I could turn back
Start all over and over again
Oh, oh, yesterday's goneI'm traveling down this highway
It's all an answer to it all
Never really see
Where we play, yeah, yeahIf we never come back home
I want you all to knowI wish I could turn back
I wish I could turn back
Start all over and over again
Oh, oh, yesterday's gone
Oh, and I'm all aloneOn a lonesome highway
Singing my songI wish I could turn back
I wish I could turn back
I wish I could turn back
Yesterday's goneI wish I could turn back
I wish I could turn back
I wish I could turn back
Yesterday's goneI wish I could turn back
I wish I could turn back
I wish I could turn back
Yesterday's gone
