Dimension Zero

Dimension Zero

I'm in the place where nothing is alive
Nothing is certain and nothing is seen
To fall upon you is no pleasant choice
I've lost my sight, I've lost my voiceNothing, nowhere, endless
Hollow, airless, shamelessCome along and seize thy demons
If you know what you are made of
Enter silence, hear it swallow
Inside these realms your soul is hollowSILENT DARKNESS, ETERNAL PAIN
TIME IS STANDING STILL
SILENT DARKNESS, ETERNAL PAIN
TIME IS STANDING STILL
