

# I Believe to My Soul

Al Kooper

One of these days and it won't be long,  
You're gonna look for me and I'll be gone  
'Cause I believe (I believe, yes I believe)  
I say I believe right now (I believe, yes I believe)

Well I believe to my soul now,

Tryin' to make a fool of me (I believe it, I believe it)Well you're goin' 'round here with your head so hard,

I think I'm gonna have to use my rod

'Cause I believe (I believe, yes I believe)

I say I believe right now (I believe, yes I believe)Well I believe to my soul now

Tryin' to make a fool of me (I believe it, I believe it)Last night you were dreaming and I heard you say

"Oh, Johnny" when you know my name is Ray

That's why I believe right now (I believe, yes I believe)

I say I believe right now (I believe, yes I believe)

Whoa I believe to my soul now

Tryin' to make a fool of me (I believe it)
