

From The Inside

Depswa

Without Warning,
Emotions Tide in like a Breaking Wave,
I can't remember yesterday,
I don't recall ever being this way before 'Cause I feel weak,
Like a Defenceless Animal,
Weak.

Though my Will is gone,
Weak.

As if I never really had any strength at all. From the inside I could feel myself lost in memory with you,
From the inside I could feel myself Paralyzed,
From the inside I could feel a change coming over me with you,
From the inside I could feel myself spinning clarity with a memory of you. Within a glimpse,
I can see my entire life,
Flash before my eyes,
Is this more than momentary thing. 'Cause I feel weak,
Like a Defenceless Animal,
Weak.

Though my Will is gone,
Weak.

As if I never really had any strength at all. From the inside I could feel myself lost in memory with you,
From the inside I could feel myself Paralyzed,
From the inside I could feel a change coming over me with you,
From the inside I could feel myself spinning clarity with a memory of you. I'm Lifted To the Sky,
And I feel all my boundaries falling away from me,
And I'm lifted to the sky,
As you bring out the better,

Better, Better part of me. From the inside I could feel myself lost in memory with you,
From the inside I could feel myself Paralyzed,

From the inside I could feel a change coming over me with you,
From the inside I could feel myself spinning clarity with a memory of you. From the inside
From the inside
From the inside
