Overload

Sugababes

Strange fear I ain't felt for years The boy's coming and I'm close to tears I can't let go of you nowImagination's playing round for free In my world I take him out for tea Oh my God, I can't say noSkipping school, go walk for air I just had to get out of bed I'm on overload in my headTrain comes, I don't know its destination It's a one way ticket to a madman situation Train comes, I don't know its destination It's a one way ticket to a madman situationLife is a dream, time does come true And in my sleep I think of you Feather bed by myselfBasically probability Says that fate's come side with me It's been so long on my shelfTrain comes, I don't know its destination It's a one way ticket to a madman situation Train comes, I don't know its destination It's a one way ticket to a madman situation The tension is incredible, boy I'm in charge You know how I feel for you Will you stop or will you just keep going Please don't say no, no, no, noTrain comes, I don't know its destination It's a one way ticket to a madman situation Train comes, I don't know its destination
