

# Train Kept A Rollin'

## Twisted Sister

Well, on a train, I met a dame  
She's kinda handsome but kinda looked the same  
She were pretty, from New York City  
I'm walkin' down that old fair lane  
I'm in heat, I'm in love and I just couldn't tell her so  
I said that train kept rollin' all night long  
A train kept rollin' all night long  
A train kept rollin' all night long  
A train kept rollin' all night long  
With a heave and a ho and I just couldn't tell her so, ow  
Well, get along, sweet little woman  
Get along, on your way  
Get along, sweet little woman  
Get along, on your way, I'm in heat, I'm in love  
And I just couldn't tell her so, no, no, no  
Alright, babies  
We got a place for rockin' tonight  
We're gonna keep on rockin'  
'Cause this trains goin' a cocaine land, honey  
Well, on a train, I met a dame  
She's kinda handsome but kinda looked the same  
She were pretty, from New York City  
I'm walkin' down that old fair lane  
I'm in heat, I'm in love, I just couldn't tell her so, come on  
Train kept rollin' all night long  
A train kept rollin' all night long  
A train kept rollin' all night long  
A train kept rollin' all night long  
With a heave and a ho, I just couldn't tell her so, ow  
Well, get along, sweet little woman  
Get along, on your way  
Get along, sweet little woman  
Get along, on your way, I'm in heat, I'm in love  
I just couldn't tell her so, no no no  
I made a stop in Albuquerque  
He musta thought I was a real cool jerk  
Gettin' on the train, lookin' handsome  
You look so good, Jack, I couldn't let cha go  
Ooh, oh, just couldn't tell her so

I said that train kept rollin' all night long  
A train kept rollin' all night long  
A train kept rollin' all night long  
A train kept rollin' all night long  
With a heave, I'm in love, I just couldn't tell her, oh you know
