Released

Burning Jet Black

Gonna grit my teeth and pretend
That I like it
Where's the end
I smile while I'm shoveling shit
It's the last ditch
"E" for effort
Where they'll bury me all alone
Afraid that they'll mark it unknownI gotta be released
I'm out of my head
I gotta be released
I'm going out of my head
I want to be released
I caught a tough break
Just say fuck it
The sky is falling down anyway
I smile with an idiot grin
Here's your chance, yeah
But it's your last
Words are spoken, the spell is cast
The enemy kills from withinI gotta be released
I'm out of my head
I wanna be released
I'm going out of my head
I want to be released
I'm out of my head
I'm going out of my head
I'm fucking out of my head
I'm going out of my head
I gotta be releasedI'm breaking down
Don't wanna fight
I'm gonna get things right
