Forgiveness

Goldfinger

So you've decided to blame him again
For all your choices
Seem like the softer way outYou think it just might make life easier
Than swallowing it
You've made a fine career out of guiltMaybe he just did the best he could with what he had
Maybe he just did the best he couldForgiveness, forgiveness
Try and let it go, why don't you?
Forgiveness
Just might save yourselfForgiveness, forgiveness
Try and let it go, why don't you?
Forgiveness
Just might save yourselfSo you've decided to blame him again
For all your choices
Seem like the softer way outYou think it just might make life easier
Than swallowing it
You've made a fine career out of guiltMaybe he just did the best he could with what he had
Maybe he just did the best he couldForgiveness, forgiveness
Try and let it go, why don't you?
Forgiveness
Just might save yourselfForgiveness, forgiveness
Try and let it go, why don't you?
Forgiveness
Just might save yourselfDon't you know what comes around goes around?
Don't you know what comes around goes around?
Don't you know what comes around goes around?
Don't you know what comes around goes around?Don't you know what comes around goes around?
Don't you know what comes around goes around?
Don't you know what comes around goes around?
Don't you know what comes around goes around?Round and round and round and round and roundForgiveness, forgiveness
Try and let it go, why don't you?
Forgiveness
Just might save yourselfForgiveness, forgiveness
Try and let it go, why don't you?
Forgiveness
Just might save yourselfSo you've decided to blame him again
For all your choices
Seems like the softer way outForgiveness, forgiveness
Let it fucking go, why don't you?

Forgiveness
Starts with yourself
