

# Nicotine Love

## Tricky

Dance with dark hearts  
And big stars  
Nicotine love  
I'll kick you to the tar  
I'm river running far  
I drive you to the stars  
And we fall from above  
You feel when I sing  
'Cause I bring love  
'Cause I bring love  
Nicotine love And when you speak out they shoot you down  
Where are all the good men they're not around You can walk hard  
And talk fast  
Take it too far  
I'm clicking to the bar  
You can jump in your car  
You won't get very far  
They don't need to be near  
They can see where you are  
I bring love And when you speak out they shoot you down  
Where are all the good men they're not around
