

# Wild Thing

[Chip Taylor](#)

Wild thing, you make my heart sing  
You make everything groovy, wild thing  
Wild thing, I think I love you  
But I wanna know for sure  
Come on and hold me tight  
I love you

Wild thing, you make my heart sing  
You make everything groovy, wild thing  
Wild thing, I think you move me  
But I wanna know for sure  
Come on and hold me tight  
You move me

Wild thing, you make my heart sing  
You make everything groovy, wild thing  
Wild thing, you make my heart sing  
You make everything groovy, wild thing  
Wild thing, you make my heart sing  
You make everything groovy, wild thing
