Me Again

Uncle Kracker

Hey, it's me again
I'm just checkin' in
Wonderin' how you've been
Yeah, it's been awhile
Nothin' much has changed
I hope you're doin' okay
I just called to say
You've been on my mind
And I hope the next time you fall in love
You get everythin' you've been dreamin' of
You deserve a happiness that sees no end
But next time you fall in love, I hope it's with me again
Well baby, I could lie
Say that I'm doin' great
Truth is I miss the way
I feel when I'm with you

And I hope the next time you fall in love
You get everythin' you've been dreamin' of
You deserve a happiness that sees no end
But next time you fall in love, I hope it's with me again
'Cause you and I were never meant to be apart
What we had is better than where we are
I promise that I'll never leave you in the dark
Yeah, baby, baby, I miss you
Yeah, I hope the next time you fall in love
You get everythin' you've been dreamin' of
Yeah, I hope the next time you fall in love
I give you everythin' you've been dreamin' of
I'll give you a happiness that sees no end
The next time you fall in love
I hope it's with me again, me again
