

Let It Ring

Citipointe Live

Verse 1:

Today I feel like dancing

Pure love it erased sin

These chains have been shattered today

Verse 2:

Today no one can stop us

Were ready were fired up

To take back what is Yours today

Chorus:

Let freedom ring

I'm dancing liberally

And I don't care

I'm giving everything

Interlude:

Whoa, Whoa

Yeah, Yeah

Bridge:

With love and liberty we'll make a stand

Make a vow to set the captives free

All for love

We'll stand
