

# Hey Ya (Andre 3000 Cover)

## Obadiah Parker

My baby don't mess around  
Because she loves me so  
And this I know for sure  
But does she really wanna  
But can't stand to see me  
Walk out the door  
I can't stand to fight the feeling  
'Cause the thought alone  
Is killing me right now  
I thank god for mom and dad  
For sticking two together  
'Cause we don't know how  
Hey ya  
Hey ya  
Hey ya  
You think you got it  
Oh you think you got it  
But got it just don't get it  
Till there's nothing at all  
We get together  
Oh we get together  
But separate's always better  
When there's feelings involved  
If what they say that "Nothing is forever"  
Then what makes, then what makes, then what makes  
Love the exception  
So why oh why oh why oh why oh why oh why oh Are we so in denial  
When we know we're not happy here  
Hey ya  
Now alright now fellas  
Oh what's cooler than being cool  
I can't hear ya oh no  
I said what's cooler than being cool  
And alright alright alright alright  
Alright alright alright alright alright alright  
Alright alright  
Alright now ladies  
We're gonna break it down in just a few seconds here  
Don't make me break it down for nothing  
I wanna se ya all on your alls baddest behavior
