Mars Vs. Venus

Usher

Initiate radarYour eyes say it all, all
They're fixed upon an object of desire
You can't control, no
But gravity compels you to ignite and explode, oh'Til our time and space combine
You'll fantasize the unknown, ohGirl, it's taking off the ground
You know how I put it down
Have you seen your stars, baby?This is big bang, so unpredictable
Sex, love and drama, who's in control?
Mars vs Venus, yeah, when the worlds collideThis is the big bang, step in the ring of fire
Sex, love and drama, who can take desire?
Mars vs VenusSeduce and analyze, yeah
Objective is to conquer deep inside
Make paradiseGirl, it's taking off the ground
You know how I put it down
Have you seen your stars? OhThis is big bang, so unpredictable
Sex, love and drama, who's in control?
Mars vs Venus, when the worlds collideThis is the big bang, step in the ring of fire
Sex, love and drama, who can take desire?
Mars vs VenusThis is big bang, so unpredictable
Sex, love and drama, who's in control?
Mars vs Venus, when the worlds collideThis is the big bang, step in the ring of fire
Sex, love and drama, who can take desire?
Mars vs VenusOh, pitch black, glossed amidst the galaxy between the sheets
Warmth that only you and I generate when we collide
Hold that, don't make my emotions peak
If I let go then I'll be weak, your control is my defeatI repeat never, never, never
Never will I give up, no, no, no, no
I ain't giving up nowThis is big bang, so unpredictable
Sex, love and drama, who's in control?
Mars vs Venus, when the worlds collideThis is the big bang, step in the ring of fire
Sex, love and drama, who can take desire?
Mars vs VenusThis is big bang, so unpredictable
Sex, love and drama, who's in control?
Mars vs Venus, when the worlds collideThis is the big bang, step in the ring of fire
Sex, love and drama, who can take desire?
Mars vs VenusWhen the worlds collide I don't know if I will win
But I know I wanna do it again, Mars vs Venus
When the worlds collide, I don't know if I will win
But I know that I wanna do it again, yeahI don't know if I'll ever win, Mars vs Venus
