

# Crazy Love

**Jason Manns**

I can feel her heartbeat from a thousand miles  
And the heavens open every time she smiles  
And I'm running to her, that's where I belong  
I'm running to her like a river's song

Chorus

She gives me love, love, love, love, crazy love  
She gives me love, love, love, love, crazy love

She got a fine sense of humor when I'm feeling down  
I'm running to her when the sun goes down  
She takes away my trouble, she takes away my grief  
She takes away my heartache, and I go right to sleep

repeat Chorus

Yes I need her in the daytime, and  
Yes I need her, in the night  
Yes I want to throw my arms around her  
Kiss her, hug her, and i kiss and hug her tight

When I'm returning from a long day  
She give me some sweet lovin', It brightens up my day  
It makes me righteous, and yes it makes me whole  
It makes me mellow right down in to my soul

repeat Chorus 2x
