Under the Rain

Mo'kalamity And The Wizards

Under the rain
Washing my brain
From this slavery
Under the rain
Washing the pain
Of all countriesThrough the mist, the light
Guidenance in the night
Love, is almighty creation
No times of revelation
Love, oh, your temple
Love your neighbor
We're not as weak and none'us survived
Many heard us
We cannot live this way
Hey, do you feel what I say
Is it for another day
Time is oppression
Hey, do you feel what I say
Is it for another day
Time is oppression
God lost in the desert
Of, oh, feelings
God lost in the desert
Of, oh, feelings
Wearing the suss of life, life, life
We're not as weak and none'us survived
We're not as weak and none'us survived
We're not as weak and none'us survived
We're not as weak and none'us survived
We're not as weak and none'us survivedUnder the rain
Washing my brain
From this slavery
