

New Star In the Sky

Air

My baby blue is a new star in the sky
My baby blue is a new star in the sky The world, the world, the world, the world
Just for you, for nobody else
The world, the world, the world, the world
Just for you, for nobody else
The world, the world, the world, the world
Just for you My baby blue is a new star in the sky
My baby blue is a new star in the sky
My baby blue is a new star in the sky
My baby blue is a new star in the sky
