Today's Teardrops

Roy Orbison

Todays teardrops are tomorrow's rainbows and tomorrow's rainbows we will
share me and you so dry your eyes, little girl, dry your eyes,
and we're gonna see skies of blue yeah, yeah, yeah
Had a tough time gettin started, maybe you're just a little downhearted
all you gotta do is a count to 10, baby you'll be smiling when,Todays teardrops are tomorrow's rainbows and tomorrow's rainbows we will
share me and you so dry your eyes, little girl, dry your eyes,
And we're gonna see skies of blue yeah, yeah, yeah
Instrumental
Key Change-Gonna be just a love of gladness, don't wanna hear nothin 'bout sadness
Come a little closer come a to me, with each kiss you're gonna see
Todays teardrops are tomorrow's rainbows and tomorrow's rainbows we will
share me and you so dry your eyes, little girl, dry your eyes,
And we're gonna see skies of blue yeah, yeah, yeahTodays teardrops are tomorrow's rainbows and tomorrow's rainbows we will
share me and you ....
