

Pause (Interlude)

Jill Scott

Hey
It's me
I'm callin'
To schedule
An event
No
Make that necessary
Breakdown
I won't be answering
Anything
I'll be so busy
With my knees on the ground
And my hands up towards the clouds
Confessing out loud, I ain't
Too proud
To say I'm slippin', slippin'
So I'm callin'
To schedule
A very necessary
BreakdownLeave me alone
Now
