

# Always Have, Always Will

## Ace of Base

(Always have, always will) I was mesmerized when I first met you  
I wouldn't let myself believe  
That you could step right out of my wildest dreams  
But you didn't know that secret part of me  
Until we kissed and made it open up so easily I always have  
(Even when it didn't show)  
I always will  
You know that I just wanna touch you  
Whenever you're close to me  
I always have  
(Doesn't matter where we go)  
I always will  
You know that I just wanna show you  
Just how much you mean to me  
(Always have, always will) Everything that you give in to  
Everything you'll ever need  
Is locked up somewhere deep inside of me  
You gotta know but more importantly  
You've got to stay and hold me while we live this fantasy I always have  
(Even when it didn't show)  
I always will  
You know that I just wanna touch you  
Whenever you're close to me  
I always have  
(Doesn't matter where we go)  
I always will  
You know that I just wanna show you  
Just how much you mean to me Sometimes we try too hard to please  
We should let love come naturally  
And sometimes I don't know just what you really do to me  
That is okay, 'cause it's all part of the mystery I always have  
(Even when it didn't show)  
I always will  
You know that I just wanna touch you  
Whenever you're close to me  
I always have  
(Doesn't matter where we go)  
I always will  
You know that I just wanna show you

Just how much you mean to me I always have  
(Even when it didn't show)  
I always will  
You know that I just wanna touch you  
Whenever you're close to me  
I always have  
(Doesn't matter where we go)  
I always will
