

# Don't Forget Yourself

Emerson Hart

So many things to say to you  
I can't tell you what to do  
There's risk in any life you'll make  
Just give more than you take Just don't forget yourself, dear  
All you'll need is right here  
Just be still, you'll know  
You'll know So much will change and come undone  
It's a season you can't outrun  
Embrace the things you fear the most  
And you'll beat them into ghosts And don't forget yourself, dear  
All you'll need is right here  
Just be still, you'll know  
You'll know Trust yourself and follow love  
And there will always be enough  
The good and bad will surely come  
But if you're happy then you've won Just don't forget yourself, dear  
All you'll need is right here  
Just be still, you'll know  
You'll know, you'll know  
You'll know
