

Riding On A Train

The Pasadenas

Choo choo train is riding, all aboard !

Riding on a train

Think of you again

Your love has got me high

High

High

You know I need you

Baby.

Since we've been together our love has been forever young

So don't stop what you're doing

Baby

'cause you do it right

Right

Right.

I have missed you so

Don't you know it

Babe ?

And I can't wait to hold you in my arms

Hey

Hey

I'm riding on this train for you.

Riding on a train

Think of you again

Got myself a ticket

First class one way there

You're my destination valentine

Now the train wheels are turning

Got my heart burning.

Darling

Darling

Darling

Hold me tighter

Please

Oh yeah

Ooh

Ooh

Ooh

Now I see your face shining brightly

I'll never leave you again
'Cause I'm staying home
Oh well
I'm staying home with you
Girl.
Riding on a train
Think of you again

Choo choo train keeps riding
We'll be together
Together
Together
Together.

Choo choo train keeps riding
We'll be together
Together
Together
Together.

Oh
Sitting here on this train
Wondering what I would do without you
Girl
I don't know
I don't know what's going on
Baby.
Riding on a train
Think of you again

Choo choo train keeps riding

Choo choo train keeps riding
